

Seniors Take Note

April, 2009

Seniors,

There are two new scholarships on the reverse. Check them out in student services. We are coming into the home stretch! We are trying to gather some early information on the senior class. We will be putting up a "Good News" board soon and would like to have accurate information on your future plans. **If you have been accepted to a college, have received scholarships, signed up for armed forces or have secured a job,** please let us know. **Attached are the requirements and the list of senior candidates for the Honors Diploma, Honor Graduates, and The Award of Merit. Please check and see us if you think we left you off of a list.**

Your counselors,

Mr. Bruck, Mrs. Crain, Mrs. Graff
