

# Edgewood Athletic Boosters Association

PO Box 67  
Trenton, Ohio 45067

To All Edgewood Parents, Alumni and Friends:

Edgewood High School, as part of the Fort Ancient Valley Conference (FAVC), has a strong tradition of athletic excellence. As our school district continues to grow, we have more student athletes participating in more activities and the need for financial backing is even more essential to the success of our programs.

The young men and women that make up our various sports teams take pride in their accomplishments. They work hard to balance their academics with their athletics and they need and deserve our support! Our booster group also works hard to ensure that all of our student athletes have the EDGE in all they do.

**Please consider becoming an Edgewood Athletic Booster Association member!**

The cost of a membership (family or individual) is just \$20! Our meetings are held at 7:00 pm on the first Thursday of each month in the Edgewood High School Media Center. We look forward to seeing you there!

Detach the application below and forward your completed membership form and fee to:

Edgewood Athletic Boosters Association  
PO Box 67
