Controlling The Paperwork Monster

The school calls to set-up another IEP meeting and the search is on at home to find last years IEP! Sound familiar?

Come find out how to manage all the school paperwork in one easy to use system. Wouldn't it be nice to have your child's school documents at your fingertips? Find out what is important to keep and create a recording keeping system to take with you. A "Record-keeping Binder" will be provided to the first 50 people who register and attend this training. The Binder is full of hints and supplies to organize important information.
