In The Know ... with the PTO

Edgewood Elementary Parent-Teacher Organization Volume 4, Issue 1 September 2010

Edgewood Elementary PTO needs your help!

Edgewood Elementary PTO is in need of parent and teacher volunteers throughout the year to help make the programs we offer to our children a success!

Volunteers are needed for the following areas: Market Day, Read-at-Home, Santa Shoppe, Teacher Conference Dinners and the annual PTO Carnival. We also need parents to attend PTO meetings to contribute input and ideas for better service to our students and our schools through PTO-sponsored activities.

The PTO supports the programs we offer through a yearly fundraiser, in turn donating funds raised among the three elementaries. In the past we have paid for assemblies, stage curtains, motivational banners, playground equipment and much more.

Without parent and teacher involvement, it is difficult to do the fun activities that benefit each of our children. Any amount of time you may be able to give would be greatly appreciated. Nothing is too small when it comes to the benefit of our children!
